ENGLISH	<i>Analyzing & Writing Poetry Level 1</i>	Read and analyze poetry. Learn to recognize poetry elements during daily poetry reading.	Students progress through this book over four years. All students should begin at Level 1.	 <p>What Is Poetry? by Michael Rosen ISBN/ASIN 978-1536201598 → This book is chock full of interesting ideas about poetry: What is it? What makes it different from prose? What are some of the common elements--and can we look for them in real poetry and then try to use them ourselves? The style is wonderfully readable and engaging and takes away the intimidation factor when it comes to both reading and writing poetry. ALERT: This book was first published in Britain and then republished in America. The two versions are paginated differently and contain a small amount of difference in content, but the covers look alike.
